There are several thousand apples in our garden. In 2020, we planted two additional high-density apple trees with 2,500 trees that use wires to hold vineyard-like trees. Apples are a good source of fiber, high in vitamin C and potassium and low in sodium. Remember the apple a day keeps the doctor away! In Rock Hill, we want your experience of choice to bring lasting memories to your family. Our trees are trimmed so you can choose without stairs. Want to know that this is white material on apples?
